

Back on Campus 2014

Following on from the great success of the Career Mentoring Programme 2013/14, where over 170 graduates have been matched with current students, we are now looking to further strengthen our Alumni Volunteering Programme with a range of events in 2014.

The Alumni Relations team is planning to collaborate with the Careers Service and Aberdeen University Students Union (AUSA) to develop a number of full and half day events across campus that will allow current students to gain first-hand access to Aberdeen alumni.

These events will offer alumni the opportunity to share their experiences face-to-face with current students, who will gain invaluable time with alumni who are established in their careers. This will facilitate students in building networks, gaining awareness of potential career paths and sharpening their career focus.

In spring 2014, we are looking for interested alumni in the following areas.

- If you are you now working in:
 - International Development
 - Media & Creative Industries
 - Food & Drink

- If you graduated in:
 - Mathematics or Physics
 - MA (Hons)

- If you are you a former AUSA Sabbatical Officer or if you were heavily involved in the Students' Association through years of volunteering, running societies and captaining sports clubs.

There are two ways in which you can take part:

- In person
Come back to Aberdeen
- Provide a profile
If you are interested, but unable to travel back to Aberdeen, we are looking to increase our collection of alumni profiles that will be made available to students.

The dates for spring 2014 have yet to be fixed, but if you are interested in taking part, we'd be delighted to hear from you and can give you further details about getting involved. Please email [Julie Bakewell](mailto:j.bakewell@abdn.ac.uk) in the Alumni Relations Team at j.bakewell@abdn.ac.uk.
